STOCKTON INTERNATIONAL RIVERSIDE FESTIVAL
TEMPORARY TRAFFIC REGULATION ORDER 2024**

Stockton-on-Tees Borough Council propose to make an Order under Section 14(1) of the Road Traffic Regulation Act 1984 not less than seven days from the date hereof, the Highway Authority being satisfied that access to the said road should be prohibited because of the likelihood of danger to the public, or of serious damage to the road, which is not attributable to such works.

The effect of the Order, which will come into effect on 25th July 2024, will be to temporarily close various lengths of roads within the Borough, at such times as traffic management signs may be erected to notify highway users of the closure. The Order will also have the effect of creating temporary clearways on various lengths of roads and suspending several on street parking places, blue badge holder bays and hackney carriage stands. The restrictions and roads affected are specified in the draft Order and plan which can be viewed on the Council's website (Traffic Orders). It is expected that the restrictions will be between approximately 25th July and 7th August 2024. The Order may continue in force for a maximum period of eighteen months. A press release on the festival will be produced to include temporary diversions during the Carnival. Access for emergency services will be maintained. Bus services will be affected, and temporary stops will be in use on Prince Regent Street and High Street, Stockton.
